MEMORANDUM FOR DISTRIBUTION

Subj: FISCAL YEAR 2001 DEPARTMENT OF THE NAVY (DON)  
PROCUREMENT COMPETITION GOALS

Ref: (a) ASN(RDA)/ABM memo of June 27 2000

Encl:(1) FY-2001 DON Procurement Competition Goals

I solicited your inputs for our FY-2001 goal in reference (a). Through analysis of your recommendations and your achievements in FY-2000 to date, I am establishing the FY-2001 DON Procurement Competition Goal at 45%. The significant amount of sole source CVN dollars planned for this year will present us with a real challenge. We need to keep our acquisition community focused on the reality of procurement competition established by the Competition in Contracting Act.

Your goals in support of the DON goal are established in enclosure (1). If you believe that the goal established for your command is either too high or too low, a reclama with appropriate supporting rationale is requested within 30 days of receipt of this memo.

My point of contact on this is Mr. Bill McAninch at (703) 602-2390.
